PROJECTS (Code Available Upon Request)

Free Time Calendar   Sept. 2021 – Present
- Building a calendar application with a group of 6 people using GitHub that allows users to manage free time with friends; utilizes React for frontend and Firebase for backend

Photo Processor   June 2021
- Built a photo processing application with a partner using an MVC design pattern and Java Swing that allows users to upload images and apply filters/effects as well as downscale images

EXPERIENCE

Big Lots Stores, Clifton, NJ   July – August 2021
Store Operations Assistant
- Interacted with customers and ensured a positive shopping experience
- Liaised with coworkers to organize weekly inventory and prepare online orders in a timely fashion

Mouse Design League, New York, NY   Oct. 2017 – June 2020
Group Leader
- Led and managed a group of 7 students through the process of brainstorming, designing, and prototyping products to improve the lives of people with disabilities
- Raised awareness for issues faced by people with disabilities and posed potential solutions by presenting prototypes to judges at annual competitions

Helping Hands Committee, New York, NY   Sept. 2017 – June 2020
General Director
- Focused teams on developing unique approaches towards bringing attention to various causes (i.e. Alzheimer's and Dementia)
- Strategically coordinated fundraisers (bake sales, dances, etc.) that raised money for donations
